SENATOR ROCK:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. A couple of preliminary announcements, we have a...obviously, a very heavy committee schedule again this

afternoon, and in that respect, I had the opportunity to meet with Senator Philip this morning. I'd ask the members to take a look at the Calendar. Given the fact that we are apparently moving bills out of committee with some rapidity and some volume, we will need additional time on the Floor. So I'd asked you to amend your May 1987 calendar and count on the fact that we will be here on Friday morning the 15th. We will in Session at 9:00 a.m. and will work until noon and then we will come back on Monday the 18th and start at noon. So it is effectively an additional day, it's two halves of...or a half of two different days. So I would hope that all the committees would keep that in mind. The less bills you send to the Floor, the less amount of time obviously we need in Session, just bear that in mind. Rather than begin on something...I have a resolution which is being distributed which I would ask leave of the Body...I've spoken to Senator Philip, ask leave of the Body to get to. It is a resolution we've dealt with before and then I think, Mr. President, we can handle just the housekeeping chores and afford the members the opportunity...I know Senator Berman...would like to have the members' attention and we will certainly afford him that opportunity. If...in the meantime, I would...I would ask, Mr. President, that we go to the Order of Resolutions for a Senate joint resolution that Senator Philip and I have.

PRESIDING OFFICER: (SENATOR SAVICKAS)

You've heard the motion. Hearing no objections, on the Order of Resolutions, Ms. Secretary.

SECRETARY:

Senate Joint Resolution 45 offered by Senators Rock and Philip.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Senator Rock.

SENATOR ROCK:

Thank you, Mr. President, Ladies and Gentlemen of the

Senate. I am again asking for the suspension of the rules and the immediate consideration and adoption of Senate Joint Resolution 45. This resolution is exactly the same as House Joint Resolution No. 1 as amended which this Body sent out unanimously about a week ago. It got back to the House and, frankly, the feeling of the House was while they agreed, with some reluctance, I might add, but nonetheless agreed that the Senate amendment was a wise idea in terms of keeping the bipartisan nature of this group, they did not feel it...feel that it was important that the Governor's Office of Planning have a vote on this committee. There was general consensus across the Rotunda that the Governor's Office can be represented during the committee deliberations but that they ought not have a vote, that this is strictly a legislative group and only legislators and the public appointees should vote. I don't have any disagreement with that, Senator Philip didn't have any disagreement with that. So it was suggested that we start a new Senate joint resolution, send it back to the House and hopefully we can conclude this. It is exactly the same as...as House Joint Resolution 198 from last Session, as House Joint Resolution 1 which we argued about at some length and passed out of here unanimously with the sole exception that we are saying to the Governor's Office of Planning, you can sit in and...and...and lend your expertise, but you may not vote, and I would ask for a favorable roll call.

PRESIDING OFFICER: (SENATOR SAVICKAS)

Is there discussion? If not, you heard the motion to suspend the rules for immediate consideration of Senate Joint Resolution 45. Those in favor indicate by saying Aye. Those opposed. The Ayes have it. The rules are suspended. On the adoption of Senate Joint Resolution 45. Those in favor will vote Aye. Those opposed will vote Nay. The voting is open. Have all voted who wish? Have all voted who wish? Senator

Zito. Have all voted who wish? Take the record. On that question, the Ayes are 58, the Nays are 1, none voting Present. Senate joint resolution having received the...constitutional number of votes is declared adopted. Senator Berman, for what purpose do you arise?

SENATOR BERMAN:

Thank you, Mr. President. If I could please have the attention of my colleagues just for one moment.

PRESIDENT:

Senator Brookins, for what purpose do you arise?

SENATOR BROOKINS:

I hit my button wrong and if I would have hit it right, I would have been voting for the pass resolution.

PRESIDENT:

All right. Let the record reflect that Senator Brookins miscast a vote. Senator Collins, for what purpose do you arise?

SENATOR COLLINS:

To Table a bill, is that in order?

PRESIDENT:

Well, can we hold off...thank you. Annually, we have participated in a memorially remembrance and I have asked Senator Berman to again address that remembrance and share with us some of his thoughts. If I can have the attention of the membership and I'd ask that they please be seated and I'd ask the doormen to please secure the doors. All right, Mr. Doorkeeper, will you keep that back door closed now. Just shut it and keep it closed. Thank you. Senator Berman.

SENATOR BERMAN:

Thank you, Mr. President, Ladies and Gentlemen of the Senate. Today has been commemorated by resolution as the day of remembrance for the Holocaust commemoration. A number of us had the privilege of attending a ceremony this morning at eleven o'clock at the Old State Capitol in which we had

clergymen of various faiths, a number of elected officials, the Governor of the State of Illinois who participated in a memorial service. In Hebrew this day is known as <sup>Yom</sup> Hashoah, day of remembrance. I think it's important for those of us who lived during the years of the Second World War to take a moment of our time to remember of man's inhumanity to man, and for those of you who do not remember those days to take a moment to reflect upon one of the darkest periods of our history. I am wearing an armband, a yellow armband with the Star of David, it was distributed at the memorial service. It is a tribute not only to the six million Jews who passed away but to the Jews and the non-Jews that were the victims of that terrible period, and a tribute to the non-Jews in particular who wore this armband to protest the treatment that was being inflicted upon the Jewish communities in Europe. I appreciate the time that we have taken, I hope that next year we will make it a point to personally invite each of you to attend. It is a very moving ceremony. I apologize for not perhaps making an announcement yesterday so that more of you could have joined us. I know that a number of you have participated with us in the past. It's important. It's just important to remember and never to forget what can happen when we are less than vigilant for the protection of the freedoms that each of us cherish and each of us should have for the other. Let me close this...these short comments by reading a three-line prayer, it's an inscription that was on the walls of a cellar in Cologne, Germany where Jews hid from the Nazis. "I believe in the sun even when it is not shining. I believe in love when feeling it not. I believe in God even when He is silent." Thank you, Mr. President.

PRESIDENT:

Further business to come before the Senate? Any announcements? If not, Senator...I'm sorry, Senator

Woodyard, for what purpose do you arise?

SENATOR WOODYARD:

Thank you, Mr. President. I don't know the exact procedure, but I need leave of the Body to move Senate Bill 504 back to 2nd reading. We inadvertently moved 504 without a fiscal note to 3rd reading and I need to get it back to 2nd reading.

PRESIDENT:

Senator Woodyard, thank you, for calling that to our attention. All right. Senator Woodyard moves that...with leave of the Body, wishes to recall Senate Bill 504 from the Order of 3rd back to the Order of 2nd Reading where it will remain until the proper fiscal note is filed. Without objection, leave is granted. So ordered. Senator Savickas, for what purpose do you arise?

SENATOR SAVICKAS:

Yes, Mr. President, I move for the purpose of reassigning Senate Bill 1463. I would move at this time that Senate Bill 1463 be discharged from the Committee on Executive and reassigned to the Energy and Environment Committee. The chief movers and proponents of this bill will be out of town on the date that Executive Committee meets. It deals with energy and environment also and it...they can make that meeting. Both committee chairmen have been talked to and also the minority leader, Senator Weaver, they all agree with this movement.

PRESIDENT:

All right. The gentleman has moved that Senate Bill 1463 be discharged from further consideration by the Committee on Executive and rereferred to the Committee on Energy and Environment. All in favor of the motion to discharge indicate by saying Aye. All opposed. The Ayes have it. The motion carries and it is so ordered. Senator Collins, for what purpose do you seek recognition?

SENATOR COLLINS:

Yes, thank you. I move to discharge the Committee on Executive from further consideration of Senate Bill 103 for the purposes of Tabling that amendment...bill, and I so move to Table Senate Bill 103.

PRESIDENT:

SENATOR DAVIDSON:

Just to remind everybody on the Senate Floor that tomorrow is the final day for them to make reservations with me if they're going to attend the Governor's Prayer Breakfast on Thursday, May the 7th, 'cause we must have the money in hand and reservations by Friday for...to try to get you a seat somewhere within the seeing distance of the front table 'cause it's a very big crowd this year.
